

## REDEEM

### Repository of best practices in joint programmes with the participation of companies

<b>REDEEM University</b>	Karlsruhe Institute of Technology
<b>Title of the JP</b>	German-French Double Degrees
<b>Field of study</b>	Engineering
<b>Partner universities</b>	Arts et Métiers ParisTech, INP Grenoble, INSA Lyon
<b>Short description</b>	<p>The <a href="#">German-French Initiative of KIT</a> has long-standing partnerships with companies such as KÄRCHER, MICHELIN, L'ORÉAL and ACTEMIUM. Students enrolled in German-French Double Degree programs stay 3-4 semesters in the partner country and obtain the two national degrees at the end of their studies. Within the framework of their Double Degree program the students from KIT and our partner institutions can apply for scholarships to the industrial partners of the German-French Initiative at KIT. Moreover the companies provide their scholars with internships all over the world and offer a professional cooperation during their studies.</p>
